LIMITED REVIEW REPORT

To The Board of Directors of

Sudal Industries Limited

We have reviewed the accompanying statement of unaudited standalone financial results of **Sudal Industries Limited** ('the Company') for the quarter ended September 30, 2019 and year to date results for the period from April 01, 2019 to September 30, 2019 ("the Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulations 33 of the SEBI (Listing, Obligations and Disclosure requirements) Regulations, 2015 ('Listing regulations').

This Statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with circulars issued from time to time, including the manner in which it is to be disclosed, or that it contains any material misstatement.

The Company has been continuously incurring losses over last several years and its net worth stands fully eroded. The Company's bank has also issued notice under section 13(2) of SARFAESI ACT for recovery of its dues.

As explained by the management, due to a recessionary trend and slackness in demand particularly in the Auto, construction & Infra industries, the Company was not able to utilize the capacity optimally and along with price volatility, it was incurring losses in the past few years. To boost the industry, several revival steps are being taken by the Government and hence the Company expects a spur in the economy and demand which will enable it to increase its capacity utilization and thereby cut losses.

Further, the Company has offered to the banker for One Time Settlement of the dues and is pending acceptance. Accordingly, management believes that it is appropriate to prepare the financial results on a going concern basis. Therefore, the financial results do not include any adjustments relating to the recoverability and classification of recorded assets and to the amounts of liabilities that might be necessary should the Company be unable to continue its operations as a going concern.
